Facilitated learning in general evokes security, creativity, confidence, inclusion, relationship, life-skills, and fun.</p> <p>⚠ It's an incomplete list of sounds letters can make. Let that go. More details about sounds don't help learners at this point. The understanding that letters can represent many sounds is the critical concept.</p> <p>Printable Flashcards of the letter blocks in the poster are available as a PDF from thompsonlanguagecenter.com</p> <div>   </div>
